### TREATISES

10 <i>Collier on Bankruptcy</i> ¶ 9019.02 (15th ed. rev. 2009) .....	7
--	---

TO THE HONORABLE ROBERT E. GERBER,  
UNITED STATES BANKRUPTCY JUDGE:

Motors Liquidation Company, (formerly, General Motors Corporation (“**MLC**”)) and its affiliated debtors, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”), respectfully represent:

**Relief Requested**

1. By this Motion, the Debtors request, pursuant to sections 105 and 363(b) of chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 9019(a) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), approval of that certain Settlement Agreement Between and Among GMCo/MLC-IUE-CWA and USW Regarding Retiree Health Care, Life Insurance, Pension Top-Up, and Modification and GMCO Assumption of MLC-IUE-CWA CBA, a copy of which is annexed hereto as Exhibit A (the “**Settlement Agreement**”).

**Jurisdiction**

2. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

**Background**

3. On June 1, 2009, the Debtors each commenced with this Court a case under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

4. Prior to the commencement of the Debtors’ cases under chapter 11 of the Bankruptcy Code, MLC agreed to provide certain retiree medical and life insurance benefits (the “**Retiree Benefit Obligations**”) in various collectively bargained agreements with The International Union of Electrical Workers, the Industrial Division of the Communications

Workers of America, AFL-CIO, CLC (the “**IUE-CWA**”) and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC (the “**USW**”). The IUE-CWA and the USW are hereinafter referred to collectively as the “**Unions**.”

5. By Order dated July 5, 2009 (the “**Sale Order**”), the Court approved the sale (the “**363 Transaction**”) of substantially all of the Debtors’ assets to a United States Treasury sponsored entity now named General Motors Company (“**GMCo**”).

6. The Unions objected to the 363 Transaction on several bases. Such objections, however, were overruled by the Court. Thereafter, the IUE-CWA filed a Notice of Appeal of the Sale Order (the “**Appeal**”) which currently is pending in the United States District Court for the Southern District of New York.

7. Pursuant to the provisions of section 1114 of the Bankruptcy Code, MLC is continuing to pay the Retiree Benefit Obligations, subject to its rights to modify or terminate such obligations in accordance with the provisions and procedures set forth in section 1114. The monthly payments attributable to the Retiree Benefit Obligations aggregate approximately \$23 million. In connection with the payment of such benefits, MLC also has reserved all of its rights under the settlement agreement in the class action entitled *IUE-CWA et. al. v. General Motors Corp.*, No. 2:06-CV-12151 (E.D. Mich) (the “**Combs Settlement**”), including its position that the Retiree Benefit Obligations are vested only through September 14, 2011, and thereafter could be terminated unilaterally by MLC, without regard to the provisions of section 1114 of the Bankruptcy Code.

#### **The Settlement Negotiations**

8. Subsequent to the entry of the Sale Order, MLC, GMCo and the Unions, serving as the authorized representatives for purposes of section 1114 of the Bankruptcy Code of

those persons receiving retiree benefits pursuant to collective bargaining agreements between MLC and each of the Unions, entered into negotiations with respect to the continued payment of Retiree Benefit Obligations, the Appeal and any claims which could be asserted in the Debtors' chapter 11 cases with respect to the Retiree Benefit Obligations. These negotiations were protracted and in good faith and, after due consideration of the factual and legal arguments regarding the various issues involved, as well as the costs, risks, and delay associated with litigating these issues, the parties have agreed to resolve all claims with respect to the foregoing matters on the terms set forth in the Settlement Agreement.

### **The Settlement Agreement**

9. The essence of the Settlement Agreement is as follows: MLC and GMCo have agreed to provide certain ongoing medical benefits at a reduced level to those IUE-CWA and USW retirees and surviving spouses who are not eligible for Medicare benefits. They also have agreed to provide certain life insurance benefits to IUE-CWA and USW retirees (regardless of Medicare eligibility), at a reduced level. With respect to those retirees who are eligible for Medicare, MLC is granting the IUE-CWA, the USW and any additional listed union that agrees to the applicable terms of and agrees to participate in the Settlement Agreement,<sup>1</sup> an allowed prepetition, general unsecured claim in MLC's chapter 11 case in an amount equal such union's respective **"Percentage Share"** of the aggregate amount of one billion dollars (the **"Allowed**

---

<sup>1</sup> The additional listed unions (collectively, the **"Splinter Unions,"** and those who agree to participate in the Settlement Agreement, the **"Participating Splinter Unions"**) that are being offered the opportunity to agree to the terms of and participate in the settlement are International Association of Machinists and Aerospace Workers; International Brotherhood of Electrical Workers; Michigan Regional Council of Carpenters, Local 687 and Interior Systems, Local 1045; International Brotherhood of Painters and Allied Trades of the United States and Canada, Sign & Display Union Local 59; International Brotherhood of Teamsters; The International Brotherhood of Boilermakers; United Catering Restaurant Bar & Hotel Workers; International Union of Operating Engineers; and with respect to any of the aforementioned union retirees where the union has failed or refused to accept appointment as the authorized representative pursuant to 11 USC § 1114, any committee appointed by the Bankruptcy Court as the authorized representative of such union retirees.

**Claim**”). The Allowed Claim is in full settlement, satisfaction and discharge of all claims that the Union’s (and Participating Splinter Unions), as authorized section 1114 and 1113 representatives, have or may have against the Debtors and their affiliates arising out of collective bargaining agreements relating to retiree healthcare benefits, life insurance benefits and all other benefits and claims. The Settlement Agreement also provides for the withdrawal of the Appeal. For purposes of the Settlement Agreement, the **“Percentage Share”** of each of the Unions and the Splinter Unions is set forth on Exhibit B annexed hereto.<sup>2</sup>

10. The Settlement Agreement contains a number of other material provisions. For example, GMCo is agreeing to provide additional pension benefits to certain IUE-CWA and USW retirees whose pensions were affected by the termination of the Delphi hourly pension plans. GMCo is also agreeing to assume the last remaining unexpired IUE-CWA collective bargaining agreement with MLC (the **“Moraine Closure Agreement”**), subject to certain modifications. The salient terms of the Settlement Agreement are as follows:<sup>3</sup>

<b><u>Pension Top-Up</u></b>	In the event that pension benefits received by a retired <b>“Covered Employee”</b> (as such term is defined in the Settlement Agreement) from the Pension Benefit Guaranty Corporation ( <b>“PBGC”</b> ), or a combination of the PBGC, Delphi or another entity, as a consequence of termination of the Delphi Hourly Retirement Plan ( <b>“Delphi HRP”</b> ), referred to herein as <b>“Insured Pension Payments,”</b> are less than what otherwise would have been received by the retired Covered Employee from the Delphi HRP according to plan terms as of July 22, 2009, GMCo will provide supplemental payments to such retired Covered Employee so that when combined with the Insured Pension Payments, such retired Covered Employee will receive pension benefits equal to what otherwise would have been paid by the Delphi HRP according to plan terms.
------------------------------	---

<sup>2</sup> The Percentage Share was calculated based upon the approximate number of retirees and surviving spouses in each of the unions set forth on Exhibit B who will be over age 65 as of January 1, 2010.

<sup>3</sup> The table below is intended as a summary and is qualified in its entirety by the terms of the executed Settlement Agreement.

<p><b><u>Up-To-7 Years Accrual</u></b></p>	<p>GMCo agrees to amend the GMCo General Motors Hourly-Rate Employees Pension Plan (“<b>GMCo HRP</b>”) to provide that Covered Employees, who were Delphi employees as of November 30, 2008, the date that Delphi froze the Delphi HRP (the “<b>Freeze Date</b>”), or Covered Employees who were employed as of the Freeze Date at a Delphi operation divested after October 8, 2005 and prior to the Freeze Date (“<b>Delphi Divested Operation</b>”) will be eligible to accrue credited service under the GMCo HRP for all purposes, including but not limited to eligibility, vesting, and future benefit accruals for the seven (7) year period commencing on the Freeze Date.</p>
<p><b><u>Retiree Health Care Benefits - On and After July 10, 2009 and Through December 31, 2009</u></b></p>	<p>For claims incurred on and after July 10, 2009 and through December 31, 2009, retiree health care for eligible IUE-CWA or USW retirees will be provided in accordance with the terms of the MLC Health Care Program for Hourly Employees (the “<b>MLC Plan</b>”) as applicable to retiree members of the Covered Group as it existed on July 10, 2009. Up to \$100 million of this coverage will be paid for by MLC (with the balance payable by GMCo) and was taken into account in formulating and sizing the \$1,175,000,000 Amended and Restated Secured Superpriority Debtor in Possession Credit Agreement approved by Order of the Court dated July 5, 2009 (the “<b>Amended DIP Facility</b>”). As of January 1, 2010, all obligations by either GMCo or MLC to provide retiree health care in accordance with the GM Hourly Plan shall cease and be forever terminated.</p>
<p><b><u>Retiree Health Care Benefits - On and After January 1, 2010</u></b></p>	<p>For claims incurred on or after January 1, 2010, GMCo will provide retiree health care to eligible IUE-CWA or USW retirees in accordance with the terms contained in the Settlement Agreement and MLC shall have no liability or responsibility therefor.</p>
<p><b><u>Reservation Of Rights With Respect To Unilateral Termination Of Retiree Health Benefits</u></b></p>	<p>With respect to contributions toward health care and life insurance in retirement pursuant to collective bargaining agreements between MLC and the IUE-CWA or the USW, MLC maintains that it had reserved the right to unilaterally amend, modify or terminate the respective plans or the benefits provided by those plans. The IUE-CWA and the USW maintain, however, that MLC did not effectively reserve such rights and that it was prohibited from unilaterally altering health care or life insurance for retirees. For purposes of the Settlement Agreement, the parties agree that GMCo’s right to amend, modify or terminate the retiree health care or life insurance benefits set forth therein shall be to the same extent as existed under the applicable collective bargaining agreements between MLC and the IUE-CWA or the USW, respectively.</p>
<p><b><u>Waiver Of Right To Seek Future Modification To Health Care Benefits</u></b></p>	<p>The IUE-CWA, USW, and Participating Splinter Unions and all retirees/members within the scope of the Settlement Agreement will not in the future seek to negotiate any modifications or changes to the health care benefits to be provided by GMCo.</p>

<b><u>Termination of Health Care in Retirement</u></b>	All obligations of MLC, the MLC Plan and any other MLC entity or benefit plan for health care in retirement for members of the Covered Group (as defined in the Settlement Agreement) or any other person claiming entitlement to health care in retirement pursuant to an IUE-CWA or USW collective bargaining agreement other than as set forth in the Settlement Agreement shall be forever terminated.
<b><u>Basic Life Insurance</u></b>	GMCo will provide Basic Life Insurance in retirement to eligible IUE-CWA and USW retirees in the maximum fixed amount of \$10,000 as provided for in the Moraine Closure Agreement and as modified according to Attachment B to the Settlement Agreement. MLC shall have no responsibility for such life insurance. All obligations of MLC, the MLC Plan and any other MLC entity or benefit plan for basic life insurance for the included members/retirees arising from any GM-IUE-CWA or GM-USW collective bargaining agreement shall be forever terminated.
<b><u>Assumption of the Moraine Closure Agreement</u></b>	GMCo will assume the terms and conditions of the Moraine Closure Agreement, but only as modified as set forth on Attachment C to the Settlement Agreement.
<b><u>Claim in MLC's Chapter 11 Case</u></b>	The IUE-CWA, USW and all Participating Splinter Unions shall be granted an allowed prepetition general unsecured claim in MLC's chapter 11 case equal to such union's respective <b>Percentage Share</b> of the aggregate amount of one billion dollars with respect to retiree health and life insurance benefits for the post-age-65 retirees, post-age-65 surviving spouses and under-age-65 retirees or surviving spouses disqualified for Retiree Health Care Benefits due to Medicare eligibility who are represented by the IUE-CWA, USW and the Participating Splinter Unions (the " <b>Allowed Claim</b> "). The Allowed Claim shall be in full settlement, satisfaction and discharge of all claims against MLC and its affiliates, and their present and former officers and directors by the IUE-CWA, USW and the Participating Splinter Unions or any employees, retirees or other persons or beneficiaries represented by or subject to agreements entered by such unions with MLC.
<b><u>Waiver And Release</u></b>	With the exception of the Allowed Claim, the IUE-CWA and USW, as authorized Bankruptcy Code section 1114 and 1113 representatives, will withdraw with prejudice all claims filed or otherwise made against GMCo or MLC and their subsidiaries, and their employees, officers, directors and agents, relating to retiree health care benefits and basic life insurance and pursuant to any GM-IUE-CWA and GM-USW collective bargaining agreements or otherwise, and agree not to bring any such claims in the future; and on their own behalf and on behalf of all represented members/retirees, release and forever discharge MLC, and its current or former officers, directors, employees, agents, subsidiaries, affiliates and any and all of its welfare and pension benefit plans and their fiduciaries, with respect to any and all rights, claims or causes of action that any of them have or hereafter may have arising out of their employment with MLC.
<b><u>Appeal of Sale Order</u></b>	The IUE-CWA shall withdraw the Appeal.

**The Settlement Agreement Meets the Legal Standard  
Established Under Rule 9019 and is in the Bests Interests of MLC's Estate**

11. The Debtors submit that the proposed Settlement Agreement is in the best interests of MLC and its estate and creditors, and should be approved under Bankruptcy Rule 9019. Bankruptcy Rule 9019 provides, in part, that “[o]n motion by the [debtor in possession] and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). This Rule empowers Bankruptcy Courts to approve settlements “if they are in the best interests of the estate.” *Vaughn v. Drexel Burnham Lambert Group, Inc. (In re Drexel Burnham Lambert Group, Inc.)*, 134 B.R. 499, 505 (Bankr. S.D.N.Y. 1991). A decision to accept or reject a compromise or settlement is within the sound discretion of the Court. *Id.*; see also 10 *Collier on Bankruptcy* ¶ 9019.02 (15th ed. rev. 2009). The settlement need not result in the best possible outcome for the debtor, but must not “fall beneath the lowest point in the range of reasonableness.” *Drexel Burnham Lambert Group*, 134 B.R. at 505 (citing *In re W.T. Grant & Co.*, 699 F.2d 599, 608 (2d Cir. 1983)).

12. Relying on the guiding language of *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414 (1968), Courts in this Circuit have set forth the following factors regarding the reasonableness of settlements:

- (1) the probability of success in the litigation;
- (2) the difficulties associated with collection;
- (3) the complexity of the litigation, and the attendant expense, inconvenience, and delay; and
- (4) the paramount interests of the creditors.

*Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993). As stated, the decision to approve a particular settlement lies within the sound discretion of the Bankruptcy Court. *Mach. Terminals, Inc. v. Woodward (In re Albert-Harris, Inc.)*, 313 F.2d 447 (6th Cir. 1963). It is the responsibility of the Court to examine a settlement and determine whether it “falls below the lowest point in the range of reasonableness.” *In re Dow Corning*, 198 B.R. 214, 222 (Bankr. E.D. Mich. 1996).

13. Based on these factors, the Settlement Agreement should be approved for several reasons. As stated, the Settlement Agreement is the product of arm’s length and protracted negotiations among the Debtors, GMCo and the Unions and completely resolves substantial claims that could be asserted against the Debtors’ estates. The Unions have asserted that their aggregate claim for Retiree Benefit Obligations exceeds \$3.7 billion. Although the Debtors believe that they have various defenses and that the claim is substantially less than the amount asserted by the Unions, this is a highly disputed matter and the outcome of an adjudication of any dispute as to the vested status of the benefits is not certain. Pursuant to the Settlement Agreement, the claim has been liquidated as a prepetition, general unsecured claim in the amount of \$1 billion, thereby avoiding the uncertainty as to the ultimate amount of the claim that would be allowed as well as the time and expense that would be involved in litigating the issues necessary to make such a determination.

14. Further, the Settlement Agreement avoids litigation under section 1114 of the Bankruptcy Code with respect to the termination or modification of the Retiree Benefit Obligations. Although the Debtors believe they would prevail in such litigation and be successful in terminating any ongoing obligation to pay Retiree Benefit Obligations, litigation always is uncertain, costly and time consuming. The Settlement Agreement resolves all of these issues and completely eliminates any responsibility of the Debtors to pay Retiree Benefit

Obligations after January 1, 2010 with respect to the retirees (and their spouses and dependents) represented by the Unions. Although, MLC has agreed to pay Retiree Benefit Obligations to such retirees prior such date in an amount not to exceed \$100 million, it nevertheless would have the obligation to do so prior to a determination of the issues under section 1114 and, more importantly, as indicated, the payment of the Retiree Benefit Obligations by MLC up to the amount of \$100 million is contemplated by the funding provided in the Amended DIP Facility.

15. The Settlement Agreement also resolves all other issues relating to the covered retirees' employment relationship with MLC, providing for full releases of all claims related thereto, thereby facilitating the orderly and expeditious administration of these chapter 11 cases and resolving a major liability that could have significantly delayed the plan process. Further, as stated, the Settlement Agreement resolves the objection of the Unions to the 363 Transaction and the Sale Order, and provides for the withdrawal of the Appeal.

16. It also should be noted that the Settlement Agreement provides for the continuation of medical and life insurance benefits to the eligible IUE-CWA and USW retirees without any interruption. Although the benefits will be at reduced levels, in the absence of the Settlement Agreement those benefits likely would have been terminated in their entirety. As indicated, those benefits will be paid by MLC (up to the amount of \$100 million) for the period through December 31, 2009, and thereafter exclusively by GMCo. This Court is permitted to take into account the circumstances of the retirees and the consideration provided to them under the Settlement Agreement in assessing whether to approve the Settlement Agreement. *See Official Comm. of Unsecured Creditors of Tower Auto. v. Tower Auto., Inc. (In re Tower Auto., Inc.)*, 241 F.R.D. 162, 170 (S.D.N.Y. 2006) (court approved Rule 9019 settlement involving retirement benefits because, *inter alia*, it "afford[ed] significant protection for the rights that Congress required be preserved for retirees."). Further, the Settlement Agreement provides

additional pension benefits to certain IUE-CWA and USW retirees who were scheduled to lose such benefits in connection with the termination of the Delphi hourly pension plans. Many of Delphi's retirees had been participants in MLC's pension plans before MLC spun off Delphi into a separate company. Such benefits will not be the responsibility of MLC.

**The Settlement Agreement Should be Approved  
Under Sections 363(b) and 105(a) of the Bankruptcy Code**

17. Ample authority also exists for approval of the Settlement Agreement under sections 363 and 105(a)<sup>4</sup> of the Bankruptcy Code. Section 363 provides, in relevant part, “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Although section 363 of the Bankruptcy Code does not set forth a standard for determining when it is appropriate for a court to authorize the sale, disposition or other use of a debtor's assets, Courts in the Second Circuit and others, in applying this section, have required that it be based upon the sound business judgment of the debtor. *See Comm. of Unsecured Creditors of LTV Aerospace & Defense Co. v. LTV Corp. (In re Chateaugay Corp.)*, 973 F.2d 141 (2d Cir. 1992) (holding that a judge reviewing a section 363(b) application must find from the evidence presented a good business reason to grant such application); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063 (2d Cir. 1983) (same); *In re Chrysler LLC*, 405 B.R. 84 (Bankr. S.D.N.Y. 2009), *aff'd Ind. State Police Pension Trust v. 18. Moreover, applicable principles of law attach to a debtor's business decision a strong presumption that it “acted on an informed basis, in good faith and in the honest

---

<sup>4</sup> Section 105 of the Bankruptcy Code provides in pertinent part that “[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

The business judgment rule is “a presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interest of the company.” *Integrated Res., Inc.*, 147 B.R. at 656 (citations omitted). Courts are loath to interfere with corporate decisions absent a showing of bad faith, self-interest, or gross negligence. *Id.*

19. For the reasons set forth above, MLC’s decision to enter into the Settlement Agreement is in the best interests of MLC’s estate and reflects the sound business judgment of the debtor. As stated, MLC is settling a potential \$3.7 billion claim for an allowed, prepetition general unsecured claim in the amount of \$1 billion, and is resolving all matters relating to the employment relationship of the covered retirees, including receiving complete releases. Furthermore, by entering into the Settlement Agreement, MLC is avoiding the costs and distractions of potentially protracted litigation, and also is avoiding having to continue to pay the Retiree Benefit Obligations until such litigation is concluded. In addition, pursuant to the Settlement Agreement, the IUE-CWA will withdraw the Appeal with respect to this Court’s approval of the 363 Transaction, thereby avoiding the additional time and expense associated therewith.

20. Lastly, the Debtors have been advised by the attorneys for the Unsecured Creditors’ Committee that the Committee supports the relief requested herein.

21. Accordingly, the Debtors submit that the Settlement Agreement should be approved under Bankruptcy Rule 9019(a), as a valid exercise of the Debtors' reasonable business judgment and as being in the best interest of the Debtors' estates and all parties in interest.

**Notice**

22. Notice of this Motion has been provided to the Unions, the Splinter Unions, GMCo, known retirees and surviving spouses covered by the Settlement Agreement, and parties in interest in accordance with the Order Pursuant to 11 U.S.C. § 105(a) and Fed. R. Bankr. P. 1015(c) and 9007 Establishing Notice and Case Management Procedures, dated August 3, 2009 [Docket No. 3629]. The Debtors submit that such notice is sufficient and no other or further notice need be provided.

23. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.

**THE SETTLEMENT AGREEMENT**

**SETTLEMENT AGREEMENT BETWEEN AND AMONG  
GMCo/MLC-IUE-CWA AND USW  
REGARDING RETIREE HEALTH CARE, LIFE INSURANCE,  
PENSION TOP-UP, AND MODIFICATION  
AND GCMCO ASSUMPTION OF MLC-IUE-CWA CBA**

This Settlement Agreement (together with the Exhibits hereto, the "Settlement Agreement"), is between General Motors Company ("GMCo"), Motors Liquidation Company ("MLC" formerly known as General Motors Corporation), the IUE-CWA, the Industrial Division of the Communications Workers of America, AFL-CIO,CLC ("IUE-CWA") and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO,CLC ("USW"). The IUE-CWA and USW also enter into this Settlement Agreement as the authorized representative, as defined in Section 1114(c)(1) of Title 11 of the United States Code (the "Bankruptcy Code"), of those persons receiving retiree benefits, as defined in Section 1114(a) of the Bankruptcy Code, pursuant to collectively bargained plans, programs and/or agreements between MLC and the IUE-CWA or the USW (or an IUE-CWA or USW predecessor) and who are members of the Covered Group, as defined herein. Collectively, the IUE-CWA, the USW, GMCo, MLC and the Covered Group are referred to as the "Parties."

MLC agreed to provide certain retiree medical benefits in various collectively bargained agreements with the IUE-CWA and the USW. MLC, the IUE-CWA and the Class entered into a settlement agreement in the class action of *IUE-CWA, et al. v. General Motors Corp.*, No. 2:06-cv-12151 (E.D. Mich) ("Combs"). Subsequent to entering those collective bargaining agreements and the class settlement agreement (the "Combs Settlement"), MLC commenced a case under Chapter 11 of the Bankruptcy Code entitled *In Re General Motors Corp., et al.*, No. 09-050026 (REG) ("MLC Chapter 11 Case") in the U.S. Bankruptcy Court (S.D. N.Y.) (the "Bankruptcy Court"). Pursuant to an Order of the Bankruptcy Court, GMCo purchased substantially all of the assets of MLC.

The IUE-CWA and the USW assert, and GMCo and MLC deny, that GMCo and/or MLC are required to continue to provide retiree medical benefits in accordance with those collective bargaining agreements and the class settlement agreement and, further, to provide certain pension benefit guarantees in accordance with collectively bargained memorandums of understanding regarding establishment or restructuring of Delphi Corporation ("Delphi"). GMCo maintains that it is not obligated to assume or to continue to abide by the MLC collective bargaining agreements with the IUE-CWA or the USW, the Combs Settlement or the Delphi restructuring memorandums of understanding. MLC maintains that it is entitled to cancel or terminate all obligations arising from collective bargaining agreements between MLC and the IUE-CWA or the USW. After due consideration of the factual and legal arguments regarding these issues, as well as the costs, risks, and delays associated with litigating these issues, GMCo, MLC and the IUE-CWA and USW have agreed to resolve all claims regarding such matters on the basis set forth in this Settlement Agreement.

1. Pension Top-Up: In the event that pension benefits received by a retired Covered Employee from the PBGC, or a combination of the PBGC, Delphi or another entity (including a Delphi Divested Unit), as a consequence of termination of the Delphi Hourly Retirement Plan

("Delphi HRP"), referred to herein as "Insured Pension Payments," are less than what otherwise would have been received by the retired Covered Employee from the Delphi HRP according to plan terms as of July 22, 2009, GMCo will provide supplemental payments to such retired Covered Employee so that when combined with the Insured Pension Payments such retired Covered Employee will receive pension benefits equal to what otherwise would have been paid by the Delphi HRP according to plan terms. For the avoidance of doubt, by this provision GMCo agrees to pay benefits to the retired Covered Employee equal to the difference between the amount of Insured Pension Payments and the amount of benefits that would have been paid by the Delphi HRP according to its terms had it not been terminated.

- a. Covered Employee shall mean those IUE-CWA or USW represented Delphi employees who had unbroken seniority and were employed by GM under the terms of the 1996 GM-IUE-CWA or GM-USW National Agreement as of the spin-off of Delphi from GM on May 28, 1999 who were not employed under a competitive wage agreement as of May 28, 1999, i.e., Tier II or Tier III employees; provided however, that IUE-CWA or USW represented employees who were employed as of May 28, 1999 and were initially hired under a competitive wage agreement that provided for them to grow into full parity for all purposes, including but not limited to all benefit participation on the same basis as non-competitive hire employees and the ability to grow into full wage parity, are also Covered Employees. It is understood that employees represented by Splinter Unions as hereafter defined are not eligible for the Pension Top-Up regardless of their election to participate in the retiree health care and life insurance coverages contemplated by this Settlement Agreement.
  - b. A Covered Employee will be entitled to the Pension Top-Up only with respect to a retirement under Article II, Section 1 (Normal Retirement), Section 2 (Early Retirement) or Section 3 (Total and Permanent Disability Retirement) of the Delphi HRP. A Covered Employee receiving only a deferred vested benefit under Article VII, Section 2 (Retention of Deferred Pension if Separated) as a former employee is not entitled to the Pension Top-Up.
  - c. In consideration of the commitments described in this paragraph 1, in the Chapter 11 bankruptcy case of *In re Delphi Corporation, et al.*, Case No. 05-44481 (RDD), the IUE-CWA and USW agree to withdraw their objections (Docket No. 17793 and No. 18258) and waive any further objections to the First Amended Joint Plan Of Reorganization Of Delphi Corporation And Certain Affiliates, Debtors And Debtors-In-Possession (As Modified) submitted by the Debtors on June 1, 2009 (as further modified)(the "Modified Plan") or Delphi's motion to approve the Modified Plan (Docket No. 16646). Further, the IUE-CWA and USW agree to waive any Seller U.S. CBA restrictions to the proposed sale of operations, including Document 63 (IUE-CWA) and Document 53 (USW), to the extent necessary to accomplish the Modified Plan.
2. Up-To-7 Years Accrual: GMCo agrees to amend the GMCo General Motors Hourly-Rate Employees Pension Plan ("GMCo HRP") to provide the following:

- a. Covered Employees, who were Delphi employees as of November 30, 2008, the date that Delphi froze the Delphi HRP (the "Freeze Date"), or Covered Employees who were employed as of the Freeze Date at a Delphi operation divested after October 8, 2005 and prior to the Freeze Date ("Delphi Divested Operation") will be eligible to accrue credited service under the GMCo HRP for all purposes, including but not limited to eligibility, vesting, and future benefit accruals for the seven (7) year period commencing on the Freeze Date. Any such benefits provided by the GMCo HRP shall be at the level and scope in effect at Delphi on July 22, 2009 (the "Up-to-7-Effective Date") and shall be secondary to benefits provided by Delphi, the Delphi HRP, any Delphi Divested Operation or any benefit plan of such operation, any of their subsidiaries, affiliates or successors or associated pension plans, and/or the Pension Benefit Guarantee Corporation ("PBGC"). In no event shall the GMCo HRP provide pension benefits on such credited service at a level and scope that exceeds that being provided to hourly retirees of GMCo. The amount of such credited service accrued will equal:
  - i. The amount of credited service that, but solely for Delphi Freezing the Delphi HRP, would have been earned after the Freeze Date under Article III of the Delphi HRP in effect on the Up-to-7-Effective Date; and
  - ii. To the extent not taken into account in Paragraph 2(a)(i), above, the amount of credited service that, but solely for the Freeze and divestiture, would have been earned while working after the Freeze Date at any Delphi Divested Operation under Article III of the Delphi HRP in effect on the Up-To-7-Effective Date.

Nothing in this Settlement Agreement shall be deemed to require GMCo to grant credited service beyond that described in this Paragraph 2(a). Employees shall be provided only the amount of credited service earned as described in this Paragraph 2(a), and shall not receive credited service otherwise. It is understood that employees represented by Splinter Unions as hereafter defined are not eligible for the Up-To-7 Years Accrual regardless of their election to participate in the retiree health care and life insurance coverages or other aspects contemplated by this Settlement Agreement.

- b. In regard to the credited service accrued in the GMCo HRP under Paragraph 2(a) of this Settlement Agreement, the GMCo HRP will recognize Delphi HRP credited service accrued prior to the Freeze Date for purposes of vesting and eligibility to retire for any Covered Employee. No other Delphi HRP credited service will be recognized by the GMCo HRP.
- c. The GMCo HRP benefit payable to a Covered Employee, who retires as a Normal Retirement under and as defined by Article II, section 1 of the Delphi HRP and GMCo HRP, will be a Basic Benefit (as defined according to the GMCo HRP) and based on GMCo HRP credited service accrued under Paragraph 2(a) of this Settlement Agreement and the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date.

- d. The GMCo HRP benefit payable to a Covered Employee, who retires under Article II, section 2(a)(3) of the Delphi HRP and GMCo HRP with a combined 30 or more years of credited service prior to age 62 and one month, will be a Basic Benefit payable beginning at age 62 and one month based on the number of years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement and the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date.
- e. The GMCo HRP benefit payable to a Covered Employee, who retires under the Delphi HRP and GMCo HRP prior to age 65 with a combined 85 Points or at least age 60 with 10 or more years of credited service, under Article II, section 2(a)(1) or 2(a)(2) of the Delphi HRP and GMCo HRP or as a Total and Permanent Disability retirement under Article II, section 3 of the Delphi HRP approved by Delphi or the PBGC pursuant to the procedures applicable to the Delphi HRP as of the date immediately preceding the Up-To-7-Effective Date and approved by GMCo under the procedures applicable to the GMCo HRP, or for IUE-CWA Covered Employees the Kettering Ohio, Moraine Ohio and Anaheim California plants only, and for USW Covered Employees of the Home Avenue plant only (including those who transfer in accordance with their seniority to the Vandalia plant in conjunction with cessation of operations at the Home Avenue plant) as a retirement under mutually satisfactory conditions pursuant to Article II, section 2(b) of the Delphi HRP, will consist of the following:
  - i. the Basic Benefit based on the number of years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement, age at time of retirement, and the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date. Such benefits from the GMCo HRP are payable beginning upon the date of retirement and will be re-determined, if applicable, at age 62 and one month, under the terms of the Delphi HRP in effect as of the Up-To-7-Effective Date; and
  - ii. if applicable, an interim supplement based on the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date for the number of years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement and age at time of retirement. The duration of such interim supplement is modified as set forth in the letter in the Delphi HRP entitled Social Security.
  - iii. if applicable, a temporary benefit based on the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date for the number of years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement. Provided, however, that such number of years of credited service when added to the number of years of credited service in the Delphi HRP will not exceed 30. The duration of such temporary benefit is modified as set forth in the letter in the Delphi HRP entitled Social Security.

- f. Any Covered Employee who, after considering: i) the credited service accrued in the GMCo HRP under Paragraph 2(a) of this Settlement Agreement; ii) the Delphi HRP credited service recognized in the GMCo HRP for eligibility to retire under Paragraph 2(b) of this Settlement Agreement; and iii) age at retirement or separation from service from Delphi, or any Delphi Divested Operation, is not eligible for retirement under the GMCo HRP as described in Paragraph 2(c), 2(d), or 2(e) of this Settlement Agreement, will receive only a deferred vested benefit from the GMCo HRP based on the years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement. The Basic Benefit will be based on the number of years of credited service accrued under the GMCo HRP under Paragraph 2(a) of this Settlement Agreement, age at time of benefit commencement, and the rates in effect under the Delphi HRP as of the Up-To-7-Effective Date. Neither GMCo, nor the GMCo HRP, will have any obligation to supplement the deferred vested amounts set forth above.
  - g. For the avoidance of doubt, for the purposes of Paragraph 2 of this Settlement Agreement for Covered Employees who have not retired or separated from service from Delphi, GMCo, or any Delphi Divested Operation, the GMCo HRP will continue to recognize the growth in age of such Covered Employees during the period they are considered an active employee with seniority in the Delphi HRP. For purposes of such recognition of growth in age in the GMCo HRP, such Covered Employees will not be considered by the GMCo HRP to have separated from service from GM on a "time for time" basis during the period they are considered an active participant in the Delphi HRP. A Covered Employee shall be deemed an active participant in the Delphi HRP, other than for purposes of future benefit accruals and subject to the other terms of the Delphi HRP in effect and to the extent permitted by law, for all periods on or after the Freeze Date and prior to retirement or separation from service from Delphi, any Delphi Divested Operation, MLC, or GMCo.
3. Claims in MLC's Chapter 11 Case: The IUE-CWA, USW and all Splinter Unions (as hereafter defined) that agree to applicable terms in this Settlement Agreement shall be granted an allowed prepetition unsecured claim in MLC's Chapter 11 Case in the amount of one billion dollars with respect to retiree health and life insurance benefits for the post-age-65 retirees, post-age-65 surviving spouses and under-age-65 retirees or surviving spouses disqualified for Retiree Health Care Benefits due to Medicare eligibility who are represented by IUE-CWA, USW and the Splinter Unions (the "Allowed Claim"). Age for purposes of the preceding sentence shall be determined as of December 31, 2009. The Allowed Claim shall be in full settlement, satisfaction and discharge of all claims against MLC and its affiliates and their present and former officers and directors by the IUE-CWA, USW and the Splinter Unions or any employees, retirees or other persons or beneficiaries represented by or subject to agreements entered by such unions with MLC (the "Splinter Claims") against MLC and its affiliates and their respective officers, directors. Upon approval of this Settlement Agreement by the Bankruptcy Court, any and all Splinter Claims shall be withdrawn, released and dismissed with prejudice and the IUE-CWA, USW and the Splinter Unions shall promptly take all such action necessary or required to effectuate the foregoing, including providing releases to MLC. Any funds resulting from the Allowed Claim shall be distributed in a manner as authorized by the Bankruptcy Court. To the extent approved by

the Bankruptcy Court, MLC agrees that the IUE-CWA, USW, and the Splinter Unions have a right to sell, assign or transfer their respective Allowed Claim as they deem appropriate at any time.

4. Retiree Health Care Benefits - On and After July 10, 2009 and Through December 31, 2009. For claims incurred on and after July 10, 2009 and through December 31, 2009, retiree health care for eligible IUE-CWA or USW retirees will be provided in accordance with the terms of the MLC Health Care Program for Hourly Employees (the "MLC Plan") as applicable to retiree members of the Covered Group as it existed on July 10, 2009. The claims described in this Paragraph 4 shall be paid by either GMCo or MLC as may be determined between GMCo and MLC. As of January 1, 2010, all obligations by either GMCo or MLC to provide retiree health care in accordance with the GM Hourly Plan shall cease and be forever terminated. A claim is deemed incurred for purposes of this Section as of the date treatment is provided, regardless of when such treatment was scheduled and regardless of whether such treatment was part of a continuation of related treatments.
5. Retiree Health Care Benefits - On and After January 1, 2010. For claims incurred on or after January 1, 2010, GMCo will provide retiree health care to eligible IUE-CWA or USW retirees as follows and MLC shall have no liability or responsibility thereafter:
  - a. GMCo will create a separate retiree health care plan with participation limited to eligible IUE-CWA and USW retirees and retirees affiliated with other Splinter Unions where those Splinter Unions elect, on a union-by-union basis, to participate on behalf of retirees and members who are similarly situated to the Covered Group with respect to health care in retirement and to be bound by the terms of a settlement agreement related to retiree health care and life insurance equivalent to those contained in this Settlement Agreement. It is understood that Splinter Union retirees are not eligible for the Pension Top-Up or Up-To-7 Years Accrual as contemplated by this Settlement Agreement. The term "Splinter Union" as used in this Settlement Agreement shall include the following, including any predecessor unions where applicable:
    - i. International Association of Machinists and Aerospace Workers;
    - ii. International Brotherhood of Electrical Workers;
    - iii. Michigan Regional Council of Carpenters, Local 687 and Interior Systems, Local 1045;
    - iv. International Brotherhood of Painters and Allied Trades of the United States and Canada, Sign & Display Union Local 59;
    - v. International Brotherhood of Teamsters;
    - vi. The International Brotherhood of Boilermakers;
    - vii. International Union of Operating Engineers;

- viii. United Catering Restaurant Bar & Hotel Workers; and
  - ix. With respect to any Splinter Union retirees where the union has failed or refused to accept appointment as the authorized representative pursuant to 11 USC § 1114, any committee appointed by the Bankruptcy Court as the authorized representative of such Splinter Union retirees.
- b. GMCo's obligation to make contributions toward retiree health care under this plan shall be fixed and capped at the specified level of expenditures on an average annual cost per contract basis for pre-Medicare Single coverage of \$4,640 and for pre-Medicare family coverage of \$9,030 (the "Cap"). The total value of health care benefits under this Settlement Agreement, inclusive of benefits paid under Paragraph 4 of this Settlement Agreement, is limited to an aggregate net present benefit value of \$467 million ("Aggregate Net Present Value") with respect to all eligible IUE-CWA, USW and Splinter Union participants. GMCo shall deliver the Aggregate Net Present Value to participants over time reduced on a proportionate basis with respect to Splinter Unions that elect not to participate and by amounts paid in accordance with Paragraph 5(f) ("Adjusted Value"). It is understood that GMCo's total obligation for the IUE-CWA, the USW and all Splinter Unions is limited to the Aggregate Net Present Value and that once it has been exhausted GMCo shall have no further obligation to make contributions toward health care for the Covered Group or for any covered members of Splinter Unions that elect to participate. It is further understood that the Aggregate Net Present Value shall be reduced on a proportionate basis with respect to Splinter Unions that elect not to participate. Spending against the Aggregate Net Present Value shall be determined by recording the annual health care benefit expenditures pursuant to this Settlement Agreement discounted at a rate of 7.2%. Participant contributions are not counted against the Aggregate Net Present Value and are not counted as part of the Caps in any year. At the point in time where GMCo's total amount paid reaches the Adjusted Value GMCo shall cease making any contributions toward health care for the Covered Group or covered members of Splinter Unions that elect to participate regardless of whether such participants otherwise satisfy plan eligibility criteria.
- c. The Aggregate Net Present Value was determined based upon an expected 92% rate of participation, resulting in a plan design generally in accordance with the description contained on Attachment A. Both the IUE-CWA and USW believe that the actual rate of participation will be less than 92%. The IUE-CWA and USW believe that a conservative estimate of the expected rate of participation is 82%. Therefore, GMCo agrees that it initially will configure plan design generally in accordance with the description contained on Attachment A, except that GMCo will presume a participant acceptance rate of 82% for IUE-CWA, USW and Splinter Unions that elect to participate and adjust the participant monthly contribution for 2010 to account for the estimated annual savings associated with the additional anticipated 10% of eligible participants that decline participation in the plan as offset by amounts paid to participants electing to opt-out. For 2011, after accounting for anticipated increases or decreases in health care costs, GMCo will determine the actual opt-out savings and actual amount of opt-out payments that occurred during the

2010 plan year and will adjust the 2011 plan design any differences resulting from an over or under estimation of the rate of participation or level of opt-out savings that occurred in 2010. Thereafter, GMCo will analyze and project retiree health care expenses on an annual basis, net of any additional opt-out related savings from the previous year and excluding any annual savings associated with those who previously opted-out but have since attained 65 years of age, at which time the participant would have lost eligibility for Retiree Health Care Benefits under this Settlement Agreement. GMCo will adjust the plan design as necessary to maintain benefit coverages within the Cap on an aggregate basis across both pre-Medicare single and pre-Medicare family coverage without reduction in the aggregate amount of annual Cap expenditures caused by participant's loss of eligibility to participate for reasons other than mortality or Medicare eligibility, at which time the participant would have lost eligibility for Retiree Health Care Benefits under this Settlement Agreement. For the avoidance of doubt, otherwise eligible individuals will no longer be eligible for Retiree Health Care Benefits under this Settlement Agreement upon attainment age 65 or if under age 65 upon becoming Medicare eligible, subject to rules governing end stage renal disease. For periods in which the Cap is exceeded, GMCo will make whatever plan design changes it deems necessary to recover the overpayment in the next plan year as well as to adjust for any anticipated increases in retiree health care costs in the next year. For periods in which the Cap has not been reached, GMCo will make whatever plan design changes it deems necessary to increase benefit levels to the extent of the Cap so they are distributed in the next plan year after adjusting for any anticipated increases in retiree health care costs in the next year.

- d. GMCo will bear all costs of plan administration.
- e. The IUE-CWA and USW may create an advisory committee and appoint members thereof; such advisory committee shall also include representatives of other Splinter Unions that have elected participation in accordance with this Settlement Agreement who wish to participate and who appoint their own representative members. If created, GMCo will advise the advisory committee reasonably prior to the implementation of any such adjustments of anticipated plan design adjustments deemed necessary to maintain benefit coverages within the Cap along with its rationale for any such adjustments. The advisory committee may provide advice and counsel with respect to any such adjustments, provided that GMCo may in its sole discretion accept or reject any such advice and that the process of involving the advisory committee shall not delay the ordinary and customary implementation of plan design alterations deemed necessary by GMCo to reflect the constraints of the Cap. The creation and operation of the advisory committee shall be at the expense of the unions participating in such committee and GMCo shall have no obligation to pay or to defray any cost or expense associated with creation of the committee or its operations or activities.
- f. Prior to January 1, 2010, the GMCo will initiate a one-time option for participants represented by the IUE-CWA, the USW and Splinter Unions that elect to participate to elect to voluntarily decline participation in the plan and in exchange for a monetary buyout in the amounts set forth on the Opt-Out Payment Schedule on Attachment D

hereto. Thereafter, the one-time option will be offered to eligible retirees at the inception of their participation in the plan. All elections to opt-out of the plan are final and cannot later be revoked.

- g. With respect to contributions toward health care and life insurance in retirement pursuant to collective bargaining agreements between MLC and the IUE-CWA or the USW, MLC maintains that it had reserved the right to unilaterally amend, modify or terminate the respective plans or the benefits provided by those plans. The IUE-CWA and the USW maintain, however, that MLC did not effectively reserve such rights and that it was prohibited from unilaterally altering health care or life insurance for retirees. For purposes of this Settlement Agreement, the parties agree that GMCo's right to amend, modify or terminate the retiree health care or life insurance benefits set forth herein shall be to the same extent as existed under the applicable collective bargaining agreements between MLC and the IUE-CWA or the USW, respectively. Apart from any right that GMCo may retain as a consequence of any reservation by MLC of the right to amend, modify or terminate health care in retirement, the parties agree that GMCo shall have the right to modify or amend the plan design in order to implement the Cap as set forth in this Settlement Agreement.
  - h. The IUE-CWA, USW, Splinter Unions that elect to participate and all retirees/members within the scope of this agreement will not in the future seek to negotiate any modifications or changes to the health care benefits provided by GMCo.
  - i. All obligations of MLC, the MLC Plan and any other MLC entity or benefit plan for health care in retirement for members of the Covered Group or any other person claiming entitlement to health care in retirement pursuant to an IUE-CWA or USW collective bargaining agreement other than as set forth herein shall be forever terminated as of the Effective Date.
6. Basic Life Insurance: Effective the first of the month following the Effective Date, GMCo will provide Basic Life Insurance in retirement to eligible IUE-CWA and USW retirees in the maximum fixed amount of \$10,000 as provided for in attachment B of the Closure Agreement as modified according to Attachment B to this Settlement Agreement. Retirees whose basic life insurance coverage is below \$10,000 will remain at the lower amount. Current active employee members of the IUE-CWA will have Basic Life Insurance in the fixed amount of \$10,000 effective upon the date of retirement. MLC shall have no responsibility or liability for such insurance. The IUE-CWA, USW or included members/retirees will not in the future seek to negotiate any modifications or changes to the life insurance coverages provided by GMCo. All obligations of MLC, the MLC Plan and any other MLC entity or benefit plan for basic life insurance for the included members/retirees arising from any GM-IUE-CWA or GM-USW collective bargaining agreement shall be forever terminated as of the Effective Date.
7. Covered Group: The retiree health care and life insurance commitments shall apply to the "Covered Group," which shall mean:

- a. MLC employees who were represented regarding the terms and conditions of their employment with MLC by the IUE-CWA or the USW and who retired from MLC under circumstances such that they were eligible for MLC contributions toward their health care and life insurance in retirement according to the terms of an IUE-CWA or USW collective bargaining agreement with MLC in effect at the time of their retirement, and their eligible spouses, surviving spouses and dependents;
- b. All active MLC employees (including those on a leave from which they are eligible to retire from MLC) who are represented with respect to the terms and conditions of their employment with MLC by the IUE-CWA and who transfer to GMCo pursuant to GMCo's assumption of the Moraine Closure Agreement pursuant to this Settlement Agreement and who retire from GMCo under circumstances such that considering their combined MLC and GMCo service they would have qualified for MLC contributions toward health care and life insurance in retirement as determined according to criteria for such eligibility as existed in the 2003 GM-IUE-CWA National Agreement, and their eligible spouses, surviving spouses and dependents;
- c. All Delphi employees who were represented with respect to the terms and conditions of their employment with Delphi by the IUE-CWA and who applied for employment consideration with MLC under the terms of the Special Employee Placement Opportunities ("SEPO") agreement, which is Attachment G to the August 5, 2007 GM, Delphi, IUE-CWA Memorandum of Understanding, and who were hired by MLC into a UAW Represented MLC Plant in accordance with the terms of the SEPO agreement and who retired from MLC or who transfer to GMCo and retire from GMCo, under circumstances such that considering their combined Delphi, MLC and GMCo service they would have qualified for corporate contributions toward health care and life insurance in retirement as determined according to criteria for such eligibility as existed in the 2003 GM-IUE-CWA National Agreement, and their eligible spouses, surviving spouses and dependents;
- d. All Delphi employees who were represented with respect to the terms and conditions of their employment with Delphi by the IUE-CWA and who are within the definition of "Covered Employees" as that term is used in Section 17.A. of the Attachment B to the IUE-Delphi-GM Memorandum of Understanding Delphi Restructuring dated August 5, 2007 or who were represented by the USW and who are within the definition of "Covered Employees" as that term is used in Section 17.A. of the Attachment B to the USW-Delphi-GM Memorandum of Understanding Delphi Restructuring dated August 16, 2007, and who satisfy the criteria described therein such that upon their retirement they would have qualified for contributions toward health care and life insurance in retirement from GM/MCL, and their eligible spouses, surviving spouses and dependents;
- e. The term "surviving spouses" shall include surviving spouses of a Covered Group retiree as well as surviving spouses of Covered Group active employees who died or die prior to retirement under circumstances such that at the time of death the employee would have been eligible to retire under circumstances meeting any of the Covered Group classifications (a, b, c and d).

8. Assumption of the Moraine Closure Agreement: As of the Effective Date, GMCo will assume the terms and conditions of the Closure Agreement but only as modified during these negotiations as set forth on Attachment C. Assumption of the terms and conditions of the Closure Agreement shall not constitute assumption of MLC's pre-Closing Liabilities under the Closure Agreement or assumption of any collective bargaining agreements outside the scope of the Closure Agreement, including, without limitation, memorandums of understanding regarding Delphi restructuring.
9. Release: Except as related to claim arising from an alleged breach of obligations set forth herein, as of the Effective Date, the IUE-CWA, the USW and all Covered Employees and members of the Covered Group and all persons claiming entitlement to health care or life insurance in retirement pursuant to an IUE-CWA or USW collective bargaining agreement release and forever discharge GMCo, its predecessors and its current or former officers, directors, employees, agents, subsidiaries, affiliates, and any and all of its welfare and pension benefit plans and their fiduciaries, with respect to any and all rights, claims or causes of action that any of them have or hereafter may have, whether known or unknown, suspected or unsuspected, concealed or hidden, arising out of, based upon or otherwise related to any claim arising out of their employment with MLC, including, without limitation, alleged breaches of a collective bargaining agreement, the Combs Settlement, concerning any alleged entitlement to health care in retirement, any alleged entitlement to life insurance in retirement, and any claim the basis for which is predicated upon an allegation that GMCo is a successor to MLC. The term "collective bargaining agreement" is intended to have the broadest possible interpretation, inclusive of any and all national agreements or memorandums of understanding entered between MLC and the IUE-CWA or MLC and the USW, or their predecessors, whether individually or collectively, written or oral or as a matter of custom and practice.
10. Waiver and Release: Other than as set forth in paragraph 3 with respect to the Allowed Claim, the IUE-CWA and USW as authorized Bankruptcy Code section 1114 and 1113 representatives withdraw with prejudice all claims filed or otherwise made against GM or MLC and their subsidiaries, and their employees, officers, directors and agents, relating to retiree health care benefits and basic life insurance and pursuant to any GM-IUE-CWA and GM-USW collective bargaining Agreements or otherwise, and agree not to bring any such claims in the future, and furthermore, on their own behalf and on behalf of all represented members/retirees, release and forever discharge MLC, and its current or former officers, directors, employees, agents, subsidiaries, affiliates and any and all of its welfare and pension benefit plans and their fiduciaries, with respect to any and all rights, claims or causes of action that any of them have or hereafter may have, whether known or unknown, suspected or unsuspected, concealed or hidden, arising out of, based upon or otherwise related to any claim arising out of their employment with MLC, including, without limitation, alleged breaches of a collective bargaining agreement, the Combs Settlement, any alleged entitlement to health care in retirement, and any alleged entitlement to life insurance in retirement.
11. The Order to be presented to the Bankruptcy Court approving this Settlement Agreement shall include a release from all liability of the Communications Workers of America, the IUE-CWA and USW and their local unions and any Splinter Union that elects to participate,

including each of their current and former officers, members, employees, advisors, attorneys, accountants, investment bankers, consultants, agents and other representatives in connection with or related to the MLC Chapter 11 Case, the formulation, preparation, negotiation, dissemination, implementation, administration, or consummation of this Settlement Agreement, or any Section 1113 or Section 1114 proceedings.

12. Appeal: The IUE-CWA shall withdraw all appeals with respect to bankruptcy court approval of the sale of substantially all MLC's assets to GMCo.
13. Effective Date: This Settlement Agreement is expressly conditioned upon approval of the Bankruptcy Court in the MLC Chapter 11 Case. The Effective Date of this Settlement Agreement shall be the date upon which an Order approving this Settlement Agreement in all material respects and in a form reasonably satisfactory to the parties, is entered by the Bankruptcy Court; provided, however that if such Order is overturned on appeal or otherwise such that there is or may be a material negative impact on the rights, obligations or benefits provided hereunder to the Parties hereto, the party experiencing the material negative impact may terminate this Settlement Agreement upon 30 days' written notice to the other parties and the rights and obligations of all parties shall revert to the status quo ante as if this Settlement Agreement had never been entered.
14. Dispute Resolution: Any controversy or dispute arising out of or relating to, or involving the enforcement, implementation, application or interpretation of this Settlement Agreement may be asserted only by GMCo, MLC, IUE-CWA or USW. The Order approving this Settlement Agreement will provide that the Bankruptcy Court will retain jurisdiction to resolve any disputes regarding the enforcement, implementation, application or interpretation of this Settlement Agreement. In the event that the bankruptcy case has been closed or dismissed, the parties agree that any necessary litigation to resolve such disputes shall be brought before the U.S. District Court for the Eastern District of Michigan (the "Court"). Each of the parties hereto expressly and irrevocably submits to the jurisdiction of the Bankruptcy Court or the Court, as applicable, and expressly waives any argument it may have with respect to venue or forum non conveniens. Nothing in this Settlement Agreement precludes members of the Covered Group, in connection with disputes arising out of the plan, from pursuing appropriate judicial review regarding disputes after exhaustion of administrative remedies.
15. Integration: This Settlement Agreement constitutes the entire agreement between the parties regarding the matters set forth herein, and no representations, warranties or inducements have been made to any party concerning this Settlement Agreement, other than representations, warranties and covenants contained and memorialized in this Settlement Agreement. This Settlement Agreement supersedes any prior understandings, agreements or representations by or between the parties, written or oral, regarding the matters set forth in this Settlement Agreement.
16. Counterparts: This Settlement Agreement may be executed in two or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument, provided that counsel for the parties to this Settlement Agreement shall exchange among themselves original signed counterparts.

17. Assignment: Except as otherwise expressly stated herein, no party to this Settlement Agreement may assign any of its rights hereunder without the prior written consent of the other parties, and any purported assignment in violation of this sentence shall be void. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.
18. Cooperation: Each of the parties hereto shall do any and all acts and things, and shall execute and deliver any and all documents, as may be necessary or appropriate to effectuate the purposes of this Settlement Agreement.
19. IUE Actuarial Professional Fees – VEBA negotiations: GMCo will reimburse the IUE-CWA for amounts necessarily incurred and actually paid to actuarial experts for purposes of evaluating the prospect of entering a VEBA settlement agreement between General Motors Corporation and the IUE-CWA during the period April 1, 2008 through December 31, 2008 upon submission of paid invoices up to an aggregated maximum for all such invoices of \$70,000.

- 1) The amount payable during the initial one-time option referenced in Paragraph 5(f) of the Settlement Agreement shall be based upon retiree or surviving spouse age and coverage status (i.e. single/family) as of January 1, 2010.
- 2) The amount payable for those retiring after the Effective Date shall be based upon retiree or surviving spouse age and coverage status as of the date of retirement.
- 3) Eligibility for an opt-out election is limited to retirees and surviving spouses of the Covered Group who are under age 65 and to dependents aged 18 to 24 of a retirees or surviving spouses of the Covered Group who are age 65 or older where the dependant qualifies for continued coverage under the plan terms due to status as a full time student (Student-Dependent). The Student-Dependent opt-out payment shall be determined according to the "Single" benefit amount based upon the number of years until the Student-Dependent reaches age 24. For example, for a Student-Dependent aged 22 the "Single" benefit amount associated with age 63, above, would apply, representing two years of coverage remaining until the student-dependent reaches age 24. Although non Student-dependents will continue to qualify for coverage under the terms of this agreement they are not eligible for an opt-out payment. The amount payable for the initial one-time option for Student-Dependents as described herein shall be based on their age and status as of January 1, 2010. The amount payable to Student-Dependents of age 65 or over Covered Group members who retire after the Effective Date shall be based upon the Student-Dependant's age and status as of the date that such Covered Group member retires. In instances where there are two or more student-dependents under the same Covered Group sponsor, they each will qualify for a "Single" opt-out payment as applicable.

- 4) Retirees or surviving spouses of the Covered Group who are members of the same family where each has or will have opt-out eligibility based upon retiree status each shall be entitled to a "Single" opt-out benefit only, regardless of the timing of their respective election. For example, where A and B are married and both are members of the Covered Group and A is currently retired and B is a current GMCo employee who upon retirement would be eligible to make an opt-out election, then A is entitled to a "Single" benefit payment upon exercise of the one-time voluntary election to opt-out and B is entitled to a "Single" benefit payment upon exercise of the one-time voluntary election to opt-out upon retirement, but neither is eligible to receive a "Family" benefit payment.
